

## All Known English/Norwegian (Bokmål) Dictionaries

Note: Prices were correct July 2010 but may change with the fluctuating exchange rate.

Not all dictionaries are both Norwegian-English and English-Norwegian. Some American editions from the 1990s and earlier by well-respected editors are no longer available except as used copies from Amazon. They are not up-to-date with current usage and it is very unlikely that another editor will revise them. Dictionaries published outside Norway are intended for English speakers with tables of irregular Norwegian words while those from Norway are intended for Norwegian speakers with tables of irregular English words. However, the latter are mostly up-to-date with slang, technical words and current usage and therefore much more useful. Noun gender is usually given only in Norwegian-English dictionaries; Norwegian-only definition dictionaries give noun gender and conjugation of nouns, verbs and adjectives. There are some specialist dictionaries (not all listed here) that cover the vocabulary used in chemistry, electronics, finance, forestry, law, medicine, military, technology or transport. Kunnskapsforlaget (with the largest range of dictionaries) is the Norwegian equivalent of Oxford University Press; the Blå Ordbok and Stor Ordbok series are the most comprehensive and up-to-date available.

Except for Berlitz and Langenscheidt books, it's unlikely you will find the dictionaries in local bookshops. Most dictionaries currently in print are available from: Grant & Cutler, 55-57 Great Marlborough Street, London W1F 7AY; <[contactus@grantandcutler.com](mailto:contactus@grantandcutler.com)>; 020 7734 2012; order online at <<http://www.grantandcutler.com/books/section/NG5AA>>. Books published in Norway are available at Norli bookshop in Oslo with branches in other cities <<http://www.nor.li.no>> but may be cheaper online (even with the extra postage) from <<http://www.bokkilden.no/SamboWeb/superSokLinkTil.do>>; searching by ISBN number or title and author is quickest, or use key words like norsk and ordbok. Click on 'Din side' to register your customer details and start placing your order. As the exchange rate is fluctuating wildly, it's best to monitor the standard rate (not tourist rate) at your bank's web site over a period of a few weeks and order on a day when the rate is more favourable. Delivery to the UK is NOK 200 per order.

There is a list of online dictionaries at:

<<http://www.infonorway.com/language/dictionaries/>>

### We want your feedback!

If you have one of these dictionaries, please help us to correct/update the list of features and submit your comments on its usefulness. If you know of other dictionaries not listed here or new editions or price changes, please send details to John via 'Kontakt oss' on the web site at <<http://www.norsk.org.uk>>.

If you are visiting London and can spare 20 minutes or so at Grant & Cutler, we will be grateful if you can check the dictionaries for useful features like Norwegian word pronunciation, noun gender, irregular verbs list, indication of regular verb group etc.

### Lexibook Universal Translator

This is an electronic pocket translator for 15 languages including Norwegian. For each language, it has 10000 keywords and 500 phrases shown on a 6-line display and built-in speech software pronounces about 5000 words and 100 complete sentences. Needs 2 x AA batteries. Further details at <<http://www.shop.telegraph.co.uk/tel464>>.

Supplier: EasyLife Group Ltd (0844 871 1491, quote product no. TEL464)

Price: £69.99

### **Online Wiktionary**

<<http://no.wiktionary.org>>

Online definition dictionary, not a translating one. It gives definitions in Bokmål of Bokmål words together with the useful indefinite/definite singular/plural forms of nouns and adjectives (with comparative/superlative and derived adverb) and the tenses of verbs, any official alternate spelling, Nynorsk equivalent, some synonyms and the equivalent word in a few other languages.

Contributed by John Bennison.

### **Ultralingua Norwegian-English**

Format: Downloadable for Mac OS X Tiger or later, Palm OS 4.1+

Publisher: <http://www.ultralingua.com>

Something a little different from the rest, Ultralingua is a dictionary for Mac computers (it's available for other platforms but not in Norwegian). For those of us who spend more time with a keyboard than a pen, this is the easiest dictionary to use. There are a few annoyances such as the collation sequence for the Norwegian entries being incorrect (å is listed with a), pronunciations being given only for the English words and, in common with most other dictionaries, the genders being given only against the Norwegian heading. One key advantage is that having looked up a word, translations can be clicked to perform the reverse look up, useful to decide which of several alternatives is the most appropriate. The dictionary has support for speech output, which is brilliant - but only as comedy!

Contributed by Joe Kelleher.

### **Ordnett**

<<http://www.ordnett.no/>>

Online language and dictionary service from Kunnskapsforlaget giving access to their dictionary resources, constantly updated. This includes all the bokmål, nynorsk, technical and foreign language dictionaries, conjugation and crossword references, thesaurus and also Språkvett, a very useful compendium on the most commonly asked questions about grammar and correct usage. The service is available as online access for any computer via a login/password or additionally with an offline time-limited dictionary download (Ordnett Pluss) for Windows only. You can subscribe to a single dictionary or a group, eg Ordnett Basis includes Norsk Ordbok, Fremmedordbok, Synonymordbok, Bokmål-nynorsk ordbok, Bokmål rettskrivningsordbok, Nynorsk rettskrivningsordbok, Engelsk-norsk ordbok, Norsk-engelsk ordbok, Språkvett and Minigrammatikker for 5 languages. Pay monthly or yearly by direct debit (might be difficult to arrange for British banks) or by debit/credit card (one month or one year, renewable).

Ordnett Basis price: kr39 per month, kr115 per quarter, kr 298 per year

Engelsk-norsk/norsk-engelsk blå ordbok price: kr15 pm, kr150 pa

See the web site for subscriptions to other dictionaries.

### **Online Translator**

<<http://www.freetranslation.com>>

English-Norwegian only, not Norwegian-English.

### **Proofing Tools for Office 2003**

Platform: Windows XP SP2 or Vista

Add-on for Office Word includes Norwegian Spelling Checker. Grammar and Style Checker, Thesaurus,

AutoCorrect, Hyphenation.

### **Verb Wheel**

Publisher: go! Language Press <<http://www.verbwheel.com/products.html#Norwegian>>

ISBN: 3936361606

Dimensions: 21 cm diameter

Price: € 4.95 plus delivery

As recommended by Rich, the verb wheel displays the conjugation of many irregular Norwegian verbs (with Bokmål on one side and Nynorsk on the other).

## Berlitz Norwegian Phrasebook/Dictionary

Paperback  
No. of pages: 224  
No. of entries: 8000 words and phrases  
Published: 2008  
Publisher: Berlitz <<http://www.berlitzpublishing.com/berlitz/home.asp>>  
ISBN: 9789812683274  
Dimensions: 14.4 x 12.4 x 1.8 cm  
Price: £4.99

Bilingual. Useful words/phrases by topic, pronunciation and a menu reader for travellers.  
Not recommended for language students.  
Contributed by John Bennison.

## Berlitz Norwegian Phrasebook & CD

Dimensions:

Price: kr150,-

Secondary school Norwegian dictionary with definitions, synonyms, conjugations, etymology. Nynorsk edition also available.

Richard West-Soley: I use the pink school dictionary as my main Nor > Eng homework dictionary now - it's so useful with the extra conjugation / declension info, and it also gives you that extra practice in that the definition is given in Norwegian too.
